Who We Are

We are a family run business based In Oldbury, West Midlands, with over 10 years of experience within the pallet industry.

With our new **1.5-acre site** based a couple of minutes from **Jnctn 2 of the M5**.

We have our own fleet of vehicles from pick-ups to 40ft curtain sided trucks.

We are well equipped for our customers from the Blue chip Companies to the smaller businesses throughout the UK & Europe.

We supply a wide range of Used/Reconditioned Wooden Pallets and other packaging products, including Plastic Pallets, Pallet Collars, Roll Cages, Lidded Crates/Totes, Bale Arm Crates and metal stillages

We also provide a wide range of services including site clearances, purchase of surplus pallets, cardboard/plastic recycling.

We guarantee to save you money whether it be a better price, cheaper alternative product, more of a rebate on your waste.

Industrial Pallet Solutions Limited serve industry and reduce waste!!

We are Waste Registered.

Registration No. Under The Waste (England & Wales) Regulations 2011: CBDU394506

We offer a fast, reliable, and efficient service. Call us on:
